

## **Year 3 – Pre-History**

### **Task 1:**

Use the information in the comic strip to create a timeline of Britain from the Stone Age to the Iron Age, plotting significant events and adding notable archaeological finds and illustrations to their timeline.

### **Task 2:**

Can you use the resource as a starting point for your own research about Britain's first farmers and the farming techniques they used.

### **Task 3:**

Choose one of these three stages of British Pre-History : Stone Age, Iron Age or Bronze Age and create your own comic strip about life during that time.
