

Year 6 – Shakespeare

Task 1:

Think about the play that year 6 were doing this year for their Shakespeare performance. What other Shakespeare plays or poems do you know? Which ones have you heard of? What do you know about the plot? Design a poster for either your Shakespeare play for year 6 or for Romeo and Juliet, which is mentioned in the resource.

Task 2:

Draw and write a comic book strip of one of Shakespeare's plays, or write a play or poem of your own.

Task 3:

Create a fact sheet about Shakespeare – what can you find out about him?
