

# Energy Efficiency Poster Competition

Create an A3 poster to show what “*Energy Efficiency*” means to you. At Robertson Facilities Management energy efficiency is at the heart of everything we do, and we want to get you; the future engineers and sustainability managers, involved.

**The posters can be of anything that promotes energy efficiency or reduction in use and can relate to any building, whether it’s a school, hospital, shop, or even home.**

## *Poster specifications:*

- Must have the designers Name, School and age in the bottom RIGHT corner
- Content should be suitable for public display in any Robertson Building
- You must be willing to have your work printed and put on public display

## *Entry levels:*

- Primary schools – Reception to Year 6
- Secondary schools – Year 7 to Year 11
- Special Educational Needs schools

Each school will be asked to shortlist 5 posters and send them to RFM for judging by **Friday 29<sup>th</sup> November 2019**. The winners will be selected by RFM and will be announced in December 2019. There will be a prize for the winner of each school, and a winner will be selected for each of the entry levels.

**Postal submissions: Robertson Facilities Management, Kenton College, Drayton Rd, Newcastle upon Tyne NE3 3RU**
