

# Year 2- Queen Victoria

## Task 1:

Using the information in the primary resource, try and design a crown in memory of Queen Victoria. Remember, be as creative as possible and incorporate the significant people and events from the queen's life. Examples of things to include could be:

- Her date of birth
- The year she was crowned Queen of the British Empire
- The names of her children
- A map showing the British empire
- Words in the languages she spoke
- A drawing of her and her husband, Albert

## Task 2:

Use the primary resource to make a Queen Victoria timeline. Given that she was the first monarch to travel by train, the timeline could be in the form of a Victorian train, with each window featuring a colourful drawing of a significant event/moment
