

Synonym and Antonym Notebooks

Interactive Notebook Directions

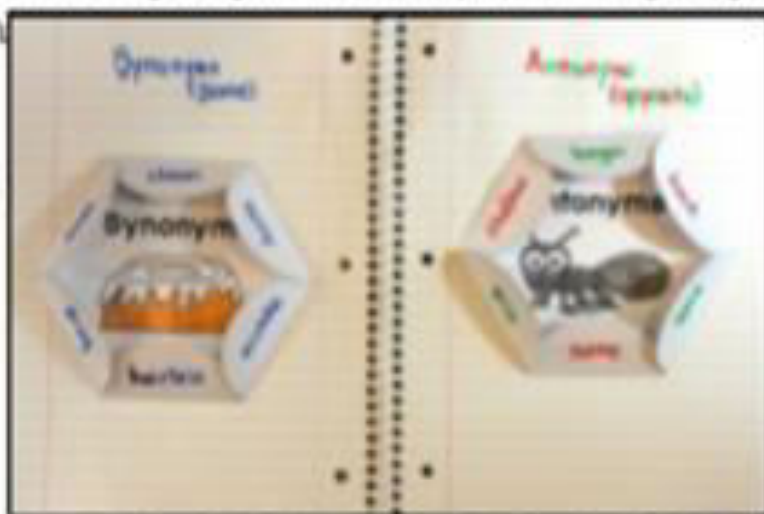

1. Color the synonym roll and ant. Cut out both foldables along the solid outside line. Fold in the flaps, as shown.

2. Glue each into the middle of a notebook page. (Be careful not to get any glue on the flaps.)

3. At the top of the synonym page, write "Synonyms". Beneath that, write "same". (I used a blue marker so that it would match the anchor chart.)
4. At the top of the antonym page, write "Antonyms". Beneath that, write "opposites". (I alternated using a red marker and a green marker so that it would match the anchor chart.)
5. On the outside flaps of the synonym foldable, write a synonym for the words written on each flap.

6. On the outside flaps of the antonym foldable, write an antonym for the words written on each flap.
