

Year 1 – Neil Armstrong

Task 1:

Can you create a poster about Neil Armstrong's moon landing. Think about what picture you would like to draw and the facts you want to include, like the name of his rocket, the date he landed on the moon, other astronauts that were with him, his famous speech and any other facts you can find out about Neil Armstrong or the moon.

Task 2:

Imagine you are taking the first steps on the moon and write some sentences about what you can see, hear and feel through your space suit.
