

## **Year 1 – Roald Dahl**

### **Task 1:**

Think about the words and the language that Roald Dahl uses in his books. He calls this 'Gobblefunk', such as snozzcumbers and whizz-poppers! Can you make a poster that uses some of the words from books by Roald Dahl that you have read and try to translate or draw their meanings.

### **Task 2:**

Can you find out everything you can about Roald Dahl and create your own fact sheet – don't forget to include an interesting or unusual facts section and some drawings would also be great.
