All Parents

Dear Parent

### **Defibrillator Fundraising**

Every year all our Year 5 and Year 6 children attend invaluable CPR training in school. The training has been well received and as a result our school has decided that it is important for us to have our own defibrillator on site for the use of our whole school community.

The defibrillator will have a considerable initial cost with ongoing essential maintenance required. The Friends of West Jesmond have kindly offered to help fund this along with West Jesmond Primary School. However we also wanted to give parents the opportunity to donate to this life saving equipment.

If you would like to make a donation of whatever size that would be amazing. Please do this via our online payment system Sims Pay in the Events section. The item will be called Defibrillator Fundraiser.

Many thanks for your support.

Kind Regards

Lucy Oades
